Apprenticing (Leader Guide)

2-2-2 Principle

And the things you have heard me say in the presence of many witnesses entrust to reliable men who will also be qualified to teach others. (2 Timothy 2:2)

He (1st Generation) instructs **Timothy** (2nd Generation) to invest in **“reliable men”** (3rd Generation) who will also be qualified to **develop others**. (4th Generation)

Apprenticeship involves a collaboration between the **leader**, the **apprentice**, and **God**.

The Must Haves: **Spiritual Velocity, Teachability, Relational Intelligence**

When recruiting we start by looking for **information** and then make an **invitation**

I do, you watch, we talk.
I do, you help, we talk.
You do, I help, we talk.
You do, I watch, we talk.
You do, someone else watches.

RPMS: **Relational, Physical, Mental, Spiritual**

Development is an **Art**

There is real **danger** in not being **wise** about our **timing** of **releasing** an apprentice leader.

In many cases, the apprentice **may never feel 100% prepared**, but this is to be expected.

Not every apprentice will work out the way we planned—**but we cannot let that fear hold us back.**

Of all the things that we need to develop in our apprentices, **one of the most vital is to make sure they really understand the value of apprenticeship.**
