

Our Kids Ministry is presently for ages Walkers to 5th grade. Kids will be divided by age group. Each class will get to play safe, socially distanced games, and learn a bible story.

We are excited to launch “Text-to-Check-in” that provides a touch free, quick check in that you can do from your phone. Check in for North Kids starts at 8:45am (9am Service) and 10:45am (11am Service). Please take note of the instructions below.

- Before arriving or after parking text “Check” to 509.904.0933
- Click on the link you receive
- If you have attended before, your family will pull up on your phone automatically.
 1. If your family does not automatically load, you can add yourself and them to our system, and then continue on through these steps. Or see the Check-in Team for assistance.
- Click the checkmark next to the kids that you are checking in.
 1. Most kids are automatically assigned their correct classroom, if there are any changes you are welcome to make them in this screen.
